Laura Martínez

Technical Product Owner | Business analyst, DevOps | Cloud Azure/ AWS/GCP
Greater Málaga Metropolitan Area

Summary

Passionate about building great products, solving business challenges, and driving impactful decisions. With a strong technical background, I thrive at the intersection of technology and business—translating complex problems into actionable solutions.

As a Product Manager and Business Analyst, I focus on data-driven decision-making, user-centered design, and strategic planning. I excel in teamwork, bringing cross-functional teams together to align on a shared vision, and fostering communication that ensures clarity at every stage of a project.

Beyond product development, I’m also a speaker, sharing insights on innovation, leadership, and the evolving landscape of product management. I enjoy connecting with industry professionals, exchanging ideas, and discussing best practices in the field.

If you're looking to collaborate, exchange ideas, or discuss opportunities, feel free to reach out. Always happy to connect!
